FETAL NEURO SUMMIT

Presenters guidelines

Abstract authors must also register for Conference. Only registered delegates will be allowed to submit the Abstract.

Submitting an abstract does not automatically register you as a Conference delegate.

Only single submission is permitted per category by candidate

The presenting author should ensure all co-authors are aware of the contents and agree with the submission of the abstract for the conference.

Please note that only named authors are permitted to present.

Abstract guidelines:

1. All case reports will be considered for poster presentations only.
2. The data presented should be original work of the author and not plagiarized from any other source.
3. Abstracts already published or presented in a conference or have been accepted for publication before the abstract submission closing date ,may not be submitted.
4. The Abstract must be submitted and presented in English only
5. Abstracts cannot be modified after final submission.
6. Abstracts received after the deadline will not be considered.
7. The Abstract Committee holds the sole right to accept or reject abstracts.
8. The final allocation of the category (paper/poster) and the slot will be decided by the committee
9. Once selected, the Primary author of the selected abstracts will be informed accordingly via e-mail. Please indicate your correct email address when submitting your abstract.
